Dear Chris:

This letter is in response to your letter dated March 2, 2004 regarding the Turner for Congress campaign committee's 2003 year-end report.

Your letter referenced the campaign's compliance with the "best efforts" provision to provide contributor information.

The Turner for Congress Campaign has fully complied with the "best efforts" provision. As required by Federal law, the original solicitation includes a clear and conspicuous request for the contributor information and informs contributors of the requirements of Federal Law for the reporting of such information. If the information is not provided, the campaign then sends out a request in writing which clearly asks for the missing information without soliciting a contribution; informs the contributor of the requirements of Federal Law for the reporting of such information; and provides a pre-addressed return envelope.

Enclosed, you will find samples of a solicitation request and a follow up request.

We will file amendments to this report as we receive additional information.

Please do not hesitate to call me at 614/766-9073 if you have any further questions.

Thank you,
